Museum Think Tank

In last month's newsletter it was mentioned there may be a meeting held so members and volunteers could have input prior to the Think Tank formally presenting its recommendation to the Committee and the AGM. At the recent Think Tank meeting such a meeting was discussed and it was decided it would be more beneficial for members, volunteers and the Committee to view the recommendations first and then provide further suggestions and ideas. So, if you are interested in the future direction for the Cottage Museum, come along to the AGM and hear the Think Tank's recommendations.

Letter of Congratulations

A letter of congratulations has been received from Federal Member, Joel Fitzgibbon, for our NSW Government Heritage Volunteer Award.
